

We make street furniture by recycling plastics, contaminant free, to make cities better.

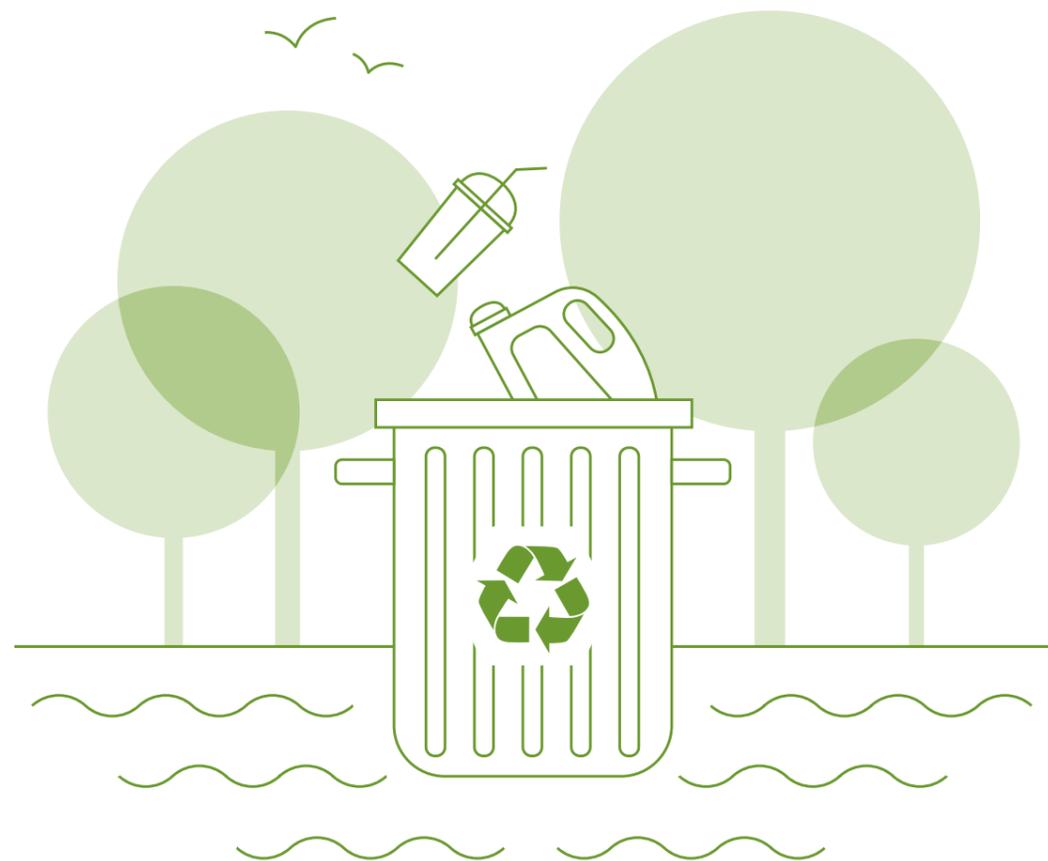

Fábregas
www.grupfabregas.com

Eco-friendly
urban living.

Recycled.

Selection of street furniture made with recycled plastic, coming from the sea and the selective collection of urban waste.

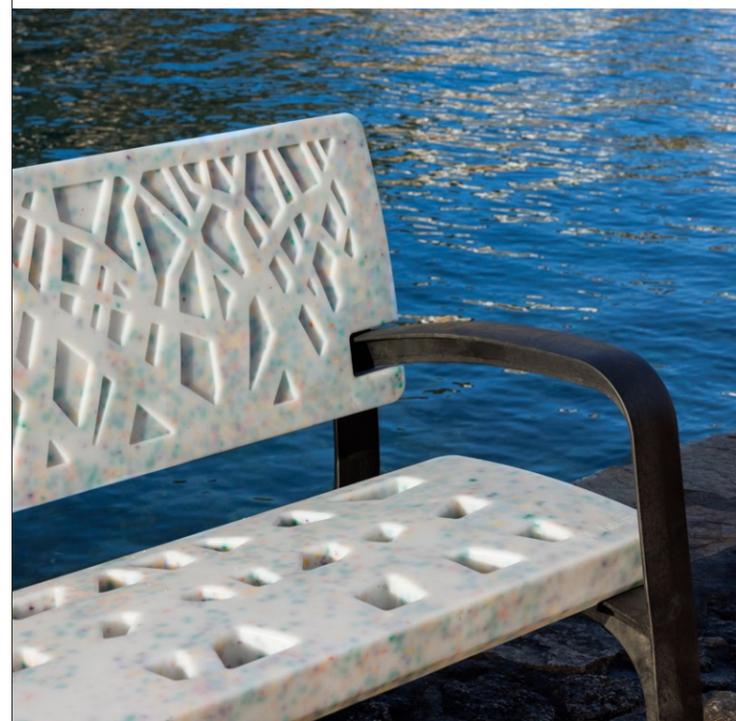

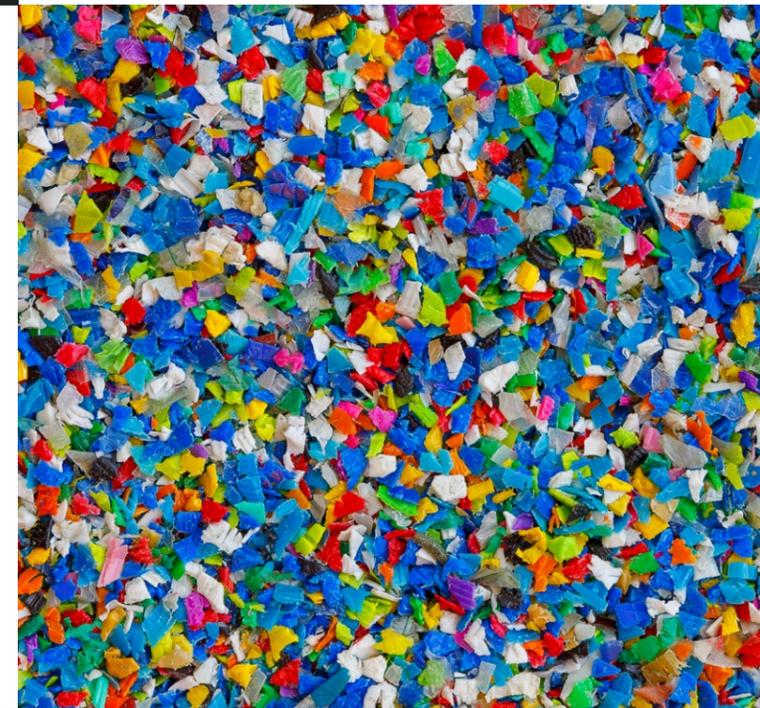

Ecologic.

Eco-friendly material with the environment, without contaminants.

Recycled.

Produced with recycled plastics.

Without maintenance.

It doesn't need maintenance, neither humidity nor corrosion affect it.

Eco-Ocean Series

Benches and bins manufactured in recycled plastic from the sea

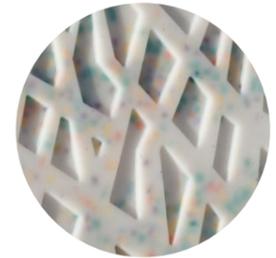

100% Recyclable
Material made from plastic waste coming from the sea.
Without maintenance

Maverick Ocean bench
Mod. C-1018-PLAST-OCEAN

Length: 1700 mm

Bench made of thermoplastic material recovered from marine origin, with great robustness, does not require maintenance, with stainless steel screws and UV protection.

Ibiza Ocean bin
Mod. P-231-OCEAN

Capacity: 80L
400 x 600 x 1090 mm

With ashtray

Bin made of thermoplastic material recovered from marine origin, with UV protection, with a capacity of 80 litres, stainless steel screws, fittings and hinges, with a closing system and an ashtray on the top.

Eco-Urban Series

Benches and bins manufactured in recycled plastic from urban waste

CERTIFIED
PRODUCT

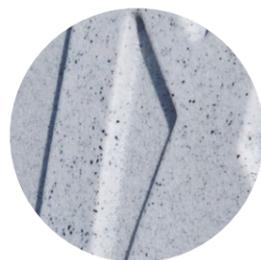

100% Recyclable
Material made from plastic waste coming from urban packaging.
Without maintenance

Maverick Urban bench Mod. C-1018-PLAST-URBAN

Length: 1700 mm

Bench made of polymer thermoplastic containing urban waste, from selective collection and post-consumer, does not require maintenance, with stainless steel screws and UV protection.

Ibiza Urban bin Mod. P-231-URBAN

Capacity: 80L
400 x 600 x 1090 mm

With ashtray

Bin made of polymer thermoplastic containing urban waste, from selective and post-consumer collection, with UV protection, with a capacity of 80 liters, with a closing system and ashtray.

Roma bin

Polyethylene bin for selective waste collection

100% Recyclable
Made of polyethylene.
Without maintenance

Polyethylene selective bin
Mod. C-2025

Capacity: 180L (60L for each waste)
410 x 410 x 850 mm

High chemical and thermal resistance.

It's flexible and light.

It doesn't rust, nor does moisture or corrosion affect it.

Impact resistant.

It's recycling.

UV protection.

Wide range of colors and textures.

Top design.

3 separate buckets

Unique, modern and comprehensive design, to be installed both indoors and outdoors. It has 3 behaviors, for 3 types of waste.

Side door opening to empty the 3 buckets.

Scuderia Plast bin

Polyethylene bin for selective waste collection made of 100% recycled plastic

100% Recyclable
Made of 100% recycled plastic.
Without maintenance

Polyethylene bin

Mod. C-2009-PLAST-ECO

Scuderia model litter bin made of polymer thermoplastic containing urban waste, from selective and post-consumer collection, with a capacity of 60 liters, it is resistant and economical, with stainless steel screws.

Color: Grey - AT

Bagless bucket

Mod. C-2009-PLAST-CUB

Capacity: 60L
Ø 380 X 620 mm

Modo 08

Ecologic benches and bins,
made of recycled materials

100% Recyclable
Slats made of 100% recycled
plastic.
Without maintenance

Recycled polymer bench
Mod. MOD008-1800A-PRN

Length: 1800 mm
Color: Black

Hammered painted iron legs and 6
recycled polymer slats and stainless
steel screws.

Recycled polymer bench
Mod. MOD008-1800A-PRM

Length: 1800 mm
Color: Brown

Hammered painted iron legs and 6
recycled polymer slats and stainless
steel screws.

Technical wood bench
Mod. MOD008-1800-MT

Length: 1800 mm

Legs painted in martelé cast ductill, 6
technique wooden slats with stainless
steel screws.

Recycled polymer bin
Mod. SALOU-PRU

Salou-type litter bin with metallic
structure and polimer recycled slats,
with a capacity of 60L without a bucket,
with support for bags.

Heba and Zeus bench Series

Polyethylene with recycled plastic

100% Recyclable
Material made from plastic waste coming from urban packaging.
Without maintenance

Zeus Polyethylene bench
Mod. C-1008-PLAST

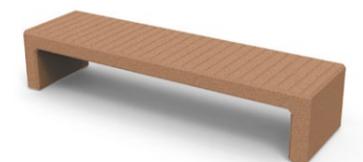

Length: 2000 mm

Heba Polyethylene bench
Mod. C-1020-PLAST

Length: 2000 mm

Available in 3 colors

White

Dark grey

Brown
